

A photograph of a couple walking away on a path through a forest. The scene is captured in a soft, hazy light, possibly during dawn or dusk, with long shadows cast on the ground. The couple is seen from behind, walking away from the viewer. The text "Where Did I Come From?" is overlaid in a white, cursive font, centered over the image.

*Where Did I Come
From?*

Why Is God Important?

1 In the beginning God created the heavens and the earth.

2 Now the earth was formless and empty, darkness was over the surface of the deep, and the Spirit of God was hovering over the waters.

3 And God said, "Let there be light," and there was light.
